Requirement	Compliance Status
-------------	-------------------

Program Coordination/Integration

1. The LEA, as a condition of receiving funds under the No Child Left Behind Act, established and implements a policy requiring that: <ul style="list-style-type: none"> l a student attending a persistently dangerous public elementary school or secondary school (as determined by the Texas Education Agency), or l a student who becomes a victim of a violent criminal offense, while in or on the grounds of a public elementary or secondary school that the student attend, is offered and allowed to attend a safe public elementary or secondary school within the local education agency, including a public charter school. <p>Note: If another campus is not available within the LEA, the policy should provide for other types of services to ensure the safety of the student. In addition, the LEA should provide for other types of services to ensure the safety of the student. In addition, the LEA is encouraged to attempt to secure a cooperative agreement with another LEA to accept transfers when reasonable and appropriate. [P.L. 107-110, Section 9532]</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> N/A

A. If compliance status is Yes, check all that apply. Checking a box ensures the documentation is on file and readily available upon request:

The LEA is required to have the policy regardless if any campuses have been identified as Persistently Dangerous or if any students have been a victim of a violent criminal offense at school. The LEA is required to have policies in place that address both of these contingencies.

A charter school is a school of choice but has to be able to provide other types of services to ensure the safety of the student.

- Copy of policy approved by the local board
- Documentation that any student who has been affected by either of these circumstances has been offered the opportunity to transfer
- Other:
